BIENNIAL REPORT

OF THE

STATE LIBRARIAN

TO THE

LEGISLATIVE ASSEMBLY.

TWELFTH REGULAR SESSION—1882.

SALEM, OREGON:
W. H. ODELL, STATE PRINTER.
1882.

REPORT.

STATE LIBRARY, SALEM, OREGON, September, 1882.

To the Honorable, the Senate and House of Representatives of the State of Oregon:

Pursuant to the requirements of law, I have the honor to submit the following biennial report of this department of the public service.

CONDITION OF THE LIBRARY.

At the beginning of my term of office there was, as reported by my predecessor, in the Library 9,283 volumes; I have received, during my term of office, 979, making a total of 10,262 volumes now in the Library.

It has been my endeavor to keep the books in an orderly manner, but as the room now used was originally intended for the Supreme Court, it is poorly adapted for the State Library, and it has been impossible to keep all in proper order. There are now piled up in unfinished rooms about 2,000 volumes of miscellaneous books.

The Library is composed almost entirely of law books and public documents; there are but few books of general literature. The law library is not nearly complete; all the published text-books are not on its shelves; the sets of State Reports are not full; nor is there an English Report to be found in the Library. Many of the newspapers of the State are sent to the Library free.

INCIDENTAL EXPENSES.

The incidental expenses of the Library have been kept up by Hon. R. P. Earhart, Secretary of State and *ex officio* State Librarian. For a statement of which expense, I refer you to the Report of the Secretary of State.

CONCLUDING REMARKS.

It will require at least $10,000 to place our Library among the respectable State and Supreme Court libraries of the United States, and, in conclusion, I beg leave to recommend that an appropriation of at least $5,000 be made during the present session.

The foregoing is most respectfully submitted.

WILL M. LYLE,
State Librarian.
